

hey ABBEY FUNDRAISERS

How do they work?

- You review all of the fundraiser info and let me know if this is something you'd want to do for your sports team/non-profit/school ([heres a sample online store](#)).
- Once you give me the go ahead - I create the order forms (cash option) and/or online store (credit card/cashless)
- All items will delivered back to you within 2 weeks of the fundraiser ending

What do I need from you?

- What items do you want in the fundraiser? You can choose them on the following pages
- Send me your logo(s), team name, any other information that would be helpful for me to make your online store & order forms
- How long do you want the fundraiser to last? (most choose 2 weeks)
- Spread the word - share with your players, coaches, their families, on social media, around the school, etc. The more you sell the more you raise!

Whats the catch?

- It's that easy - you give me the information and I do all the work for you
- There are no minimums for number of items you have to sell
- You'll receive a spreadsheet with every order for your records
- You raise \$5 for each item sold (if you sell 5 items, you raise \$25. you sell 100 items, you raise \$500)
